

Flatland Fly Fishers

New Year's Day Single Fly Event

Rules

- Kansas fishing regulations are in effect
- A valid Kansas fishing license and trout stamp
- Competition will start at 10:00 AM and end at 2:00 PM
- Fly pattern stipulations
 - You can try different patterns until you catch and release your first fish (want everyone to have an opportunity to catch a fish)
 - You can only fish one pattern at a time (no multiple rig setups even when trying to find a pattern)
 - After releasing a fish, the fly used to land it becomes the one you have to use the rest of the event
 - Lose this fly and any additional fish landed cannot be counted
- Catch and Release only
- All visitors are welcome to fish but the event is only for current members

Scoring System

- To help promote "Keep Fish Wet" we are not doing measurements as the scoring system. Doing that requires more handling of the fish. Now you just need to keep track of how many fish you catch, which means you brought the fish to your hand or net and then released the fish.
- Each participant will receive a score card. Score cards must turn into the event director before 2:15 PM
- Any Fish counts
 - 1 point – any fish species caught other than trout
 - 2 points – Trout
 - 3 bonus – If you have caught and released at least one fish and still have your original fly when you turn in your score card (0 bonus points if the fly was lost)
 - Tie breaker - first score card to be turned into the event director

1st Place - highest score

2nd Place - second highest score

3rd Place - third highest score

Top three winners are encouraged to turn in their winning fly for the newsletter.
